FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.204 sets out the fee guidelines for Division-specific services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - CAC-P12 – Workers' compensation jurisdictional fee schedule adjustment.
 - 790 – This charge was reimbursed in accordance to the Texas Medical Fee Guideline.
 - CAC-193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
 - 724 – No additional payment after a reconsideration of services.

- 920 – Reimbursement is being allowed based upon a dispute.

Issues

1. What is the Maximum Allowable Reimbursement (MAR) for the disputed services?
2. Is the requestor entitled to additional reimbursement?

Findings

1. Per 28 Texas Administrative Code §134.204 (j)(3), "The following applies for billing and reimbursement of an MMI evaluation... (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350." The submitted documentation indicates that the requestor performed an evaluation of Maximum Medical Improvement. Therefore, the correct MAR for this examination is \$350.00.

Per 28 Texas Administrative Code §134.204 (j)(4), "The following applies for billing and reimbursement of an IR evaluation. ... (C)(ii) The MAR for musculoskeletal body areas shall be as follows. ... (II) If full physical evaluation, with range of motion, is performed: (-a-) \$300 for the first musculoskeletal body area." The submitted documentation indicates that the requestor provided an impairment rating, which included a musculoskeletal body part, and performed a full physical evaluation with range of motion of the lumbar spine. Therefore, the correct MAR for this examination is \$300.00.
2. The total MAR for the disputed services is \$650.00. The insurance carrier paid \$650.00. No further reimbursement is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
